

# Lav søde breve!

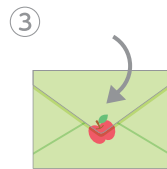

Disse mini-brevsæt passer perfekt til dine Sylvanian Families dukkehuse.  
Print og klip ud, og så er du klar!

## ? Sådan gør du

1 Der skal bruges en saks. Bed en voksen om at hjælpe dig!

Når du er færdig med et brev kan du lægge det i postkassen, som sidder på "#5567 startsettet med klassiske møbler"!

1 Læg nu ikke for mange breve i på samme tid, og pas på ikke at mase dem!
