

Sylvanian Families®

**In a fleeting age,
thank you for being here.
Thank you for understanding,
and thank you for bringing us into your family.**

Forever Your Family

What are Sylvanian Families?

Since 1985, Sylvanian Families has been loved by many people around the world. It is a nostalgic toy range that attracts people from different age groups. Based on three concepts, Nature, Family and Love, children can explore the power of imagination and learn to care and share with one another. Sylvanian Families are there to help children acquire key social skills.

**Welcome to
the brand-new Amusement Park!**

The babies had arrived at the Amusement Park.

"Wow, this is amazing!" said Crème.

The renewed Amusement Park had many rides that even the small babies could enjoy. At first, the small babies were a little bit nervous, but soon they were riding the airship and steam train with glee.

Who is Your Favourite Character?

Figures

Freya

Chocolate Rabbit Girl

Freya is a cheerful, kind girl. She likes having fun with her family and friends, and there are all kinds of things she wants to do. She's very good at drawing—she takes her sketchbook everywhere she goes and draws pictures of her friends and her favourite places in the village.

Ralph

Walnut Squirrel Boy

Ralph the Walnut Squirrel boy is full of energy and loves to climb trees. When his little brother's balloon got caught on a tall tree, Ralph climbed up and got it back in the blink of an eye. He says he's climbed every tree in Sylvanian Village, but nobody knows if it's true.

Lyra

Persian Cat Girl

Lyra the Persian Cat girl likes tinkering with machines, and is very interested in the piano and other musical instruments that her father dances to. She's currently fascinated by how the elevator in their home works. She's usually quiet, but talks a lot when she's with her twin sister.

Hayden

Husky Boy

When Hayden the Husky boy and his sister Pauline go out on their bikes together, Hayden loves looking for unusual plants and leaves. He's like a little botanist—someone who studies plants. He loves winter as much as he loves plants, so he wants to find a way to make lots of flowers grow in winter. He's very calm, although he rushes to stop Pauline when she goes too fast on her bike.

Sofia

Deer Girl

Sofia likes to write poems. She often sits down on a tree stump, muttering to herself as she thinks of a poem. Sometimes her mind is so full of ideas that she forgets where she is and starts doing an elegant dance as she recites her poem. She's also a very fast runner—when there's something she wants to see, she's off like a shot and no one can keep up with her!
